YABA to Attend Big Sky Fiber Arts Festival

The Board of YABA voted to encourage YABA members to participate in the Big Sky Fiber Arts Festival held at the Ravalli County Fairgrounds in Hamilton, Mt June 12-June 14.

All fiber and fiber end-products will be collected at specific spots in the tri-state area to be determined at a later date.

YABA will take a 10% commission on all sales.

This is a wonderful opportunity to showcase our animals, products and lifestyle.

Member-to-Member Discount Program

An incentive program for YABA members to purchase from each other has been created for those who would like to participate. For example, a participant decides to discount 10% off of a breeding fee for fellow YABA members and notifies the Marketing Committee. The Marketing Committee will collate the information and distribute it to the membership via email, newsletter, or website. This provides more value for each YABA member's dues, and ideally will increase sales for our members, whether it's alpacas, products, or services.
